

Mission Statement

MPW aim to relentlessly provide the highest quality of security services built around our clients' unique requirements through our expertise and wealth of experience in the security industry.

Vision Statement

Our vision is to be the most successful and respected provider for security services, through the integration of technology and manpower.

Open & Inclusive Policy

....Respecting and valuing the diversity of our people....

MPW are committed to providing an inclusive working environment in which everyone is treated fairly. We believe that having people from different backgrounds, with different life experiences and talents is a real bonus for our business. Respecting and valuing the diversity of our people is central to our vision and values. Our employment policies and practices have been developed to protect against discrimination and ensure equal opportunity and fair treatment for all, regardless of age, sex or ethnic background.
